

# Marz, In The Mud

Yo I wanna hit it if it's taboo, I do, outside on the avenue  
And let the whole world get a view of me slammin' you  
In the middle of fifth avenue, we look like kung fu  
When we do what we love to do  
Unzip me and ride, can you feel me inside  
I feel a rush when we touch, yeah, you're doing it right  
Bounce to the rhythm, ohh yeah, you my bad girl  
Red leather skirt, nipple rings, dragon tattoos  
Down for whatever, in a swimming pool, at a barbeque  
In full view, we be going boom, boom, boom, boom, dirty, dirty  
Tell me how you want it girl, but give it to me, hurry  
Like that, yeah, we livin' it, what  
We be suckin' on toes, raw dog, uh ha  
See I'm lovin' it kinky, bitin' all on your butt  
So what's up, now you know, can I get some or what  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
Dirty dirty, dirty, dirty  
Dirty dirty, ain't nothin' but love, dirty  
Dirty dirty, dirty, dirty  
Dirty dirty, ain't nothin' but love  
I love fuckin' all types of bitches  
they all delicious, I even asked the lord to help me out  
God gave me one Dominican, one Puerto Rican  
and one ordinary everyday type of slut with a big round butt  
That I could fuck, so legs up, throw 'em up in the air  
There ain't no other man like fuckin' the man right here  
You can call me T-bone cause I love to bone  
My honey's in them little shorts with them cheeks all showin'  
All the bad girls shakin' ass and titty, what up  
Just throw your legs up in the air like you don't give a fuck  
We livin' kinky, straight up, bitin' on your butt  
So what's up, now you know, can I get some or what  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
Dirty dirty, dirty, dirty  
Dirty dirty, ain't nothin' but love  
Dirty dirty, dirty, dirty  
Dirty dirty, ain't nothin' but love  
I'm lookin' for that sweet thang swangin' on my jang-a-lang  
I love your tongue ring, make a motherfucker sang  
On the sly, you and I sweatin', gettin' wet and  
Ice cream on your nipples, should be on the big screen  
Sex rated, triple X rated, joy ride, I glide  
Deep inside, outside, in the country side  
In a waterfall, on a mountain side, raw hide, worldwide  
All skin and ginseng, belly ring nibblin'  
You ain't innocent suckin' on your finger  
Nasty little thang, we can sex so where the ladies at  
I got a six pack and some candle wax in the back  
Of my cadillac, she said my green backs was an aphrodisiac  
I said sit back and relax, don't over react

But when we done, you gon' need ice packs for your ass crack  
So I fucked her, dropped her off on the train tracks  
Money hungry bitch, push on, don't ever come back  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug  
Dirty, nasty, it ain't nothing but love  
I need a bitch I can fuck in the mud  
Swang that thang cause it's never enough  
Do you know what it's like riding a thug
