

# Masked Wolf, Astronaut In The Ocean

What you know about rolling down in the deep?  
When your brain goes numb, you can call that mental freeze  
When these people talk too much, put that shit in slow motion yeah  
I feel like an astronaut in the ocean ay  
What you know about rolling down in the deep?  
When your brain goes numb, you can call that mental freeze  
When these people talk too much, put that shit in slow motion yeah  
I feel like an astronaut in the ocean

She say that I'm cool  
I'm like yeah that's true  
I believe in GOD  
Don't believe in THOT  
She keep play me dumb  
Imma play her for fun  
Y'all really don't know my mental  
Let me give you the picture like stencil

Fallin' out in a drought  
No flow, rain wasn't pouring down  
See that pain was all around  
Seen my mode was kinda lounge  
Didn't know which, which way to turn  
Flow is cool but I still felt burnt  
Energy up, you can feel my surge  
Imma kill everything like this purge

Let's just get this straight in a second, now  
Imma work even if I don't get paid for progression  
Imma get it, everything that I do is electric  
Imma keep it in a motion, keep it movin' like kinetic ay

Put this shit in a frame, better know I don't blame  
Every day that I say "Man I see you deflate"  
Let me elevate, this ain't a prank  
Have you woke up on a plank la la la la

Oh, pass together God, let me pray  
I've been going right, right around caught a relay  
Pass a baton, back to the mall, swimming in the poll  
Can't drink them all oh

Wanna piece of this, piece of mama, piece of Xan  
Can you please read in between the lines  
My rhymes are inclined to break your spine  
They say that I'm so fine  
You could never match my crime  
Please do not now waste my time

What you know about rolling down in the deep?  
When your brain goes numb, you can call that mental freeze  
When these people talk too much, put that shit in slow motion yeah  
I feel like an astronaut in the ocean ay
