

Mason Jennings, Fighter Girl

Spinning your umbrella over your head
You should be in bed but you're here instead
Walking with me towards a midnight swim
I can give you, baby, what you can't get from him
Songbird's singing in an old dead tree
The way you drive honey scares the hell out of me
A hundred miles an hour on a brand new road
Look at me again, you'll make my heart explode
Hey, hey, little fighter girl
It's you and me up against this whole wide world
Sleeping together in the lion's den
Got your earrings in my pocket till I see you again
Clouds roll by, laying up on the hill
Everything is still, do you think we will?
If we do, there'll be no turning back
If we don't, well, there is no chance of that
Hey, hey, little fighter girl
It's you and me up against this whole wide world
Sleeping together in the lion's den
Got your earrings in my pocket till I see you again
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Come on, kiss me
Keep on kissin' me
Come on, kiss me
Keep on kissin' me
Cars in the distance, a bicycle bell
Dogs are barking as the kingdom fell
In its place stood a golden town
Where people walk without touching the ground
Hey, hey, little fighter girl
It's you and me now against this whole wide world
Sleeping together in the lion's den
Baby, I can't sleep at all until I see you again
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Yeah, yeah, oh yeah, oh yeah
Come on, kiss me
Keep on kissin' me
Come on, kiss me
Keep on kissin' me, yeah
Oh, oh, oh, oh
