

Mason Musso, Eternity In An Hour

come and take some time off your hands
you really dont need any plans
im so bord of this town
are you bord of this town?
keep going until we find a way
these skys here are so very grayy
they make me sad
that were go so hanging around the same people
is this how, is this how you want to die?
i know you see it
only see it as you ride
i do i
well come out on out today
you can put your past away
and leave this town
and your friends will say what the want to say
well come out on out today
you can put your past away
and leave this town
and your friends ya will say what the want to say
but will say
we put are past away
come on and open up this door
we will drive until we cant drive no more
im so sick of this town
are you sick of this town?
just grab you things
and we can go
we will go as far as we can go
i wonder whats is ahead
and the rode were takin
is this how is this how you want to die?
i know you see it
only see it as you ride
i do i
well come out on out today
you can put your past away
and leave this town
and your friends will say what the want to say
well come out on out today
you can put your past away
and leave this town
and your friends ya will say what the want to say
but will say
we put are past away
whoa ohh a oh
well
the only place
out of this town
to get out this town
we got a
we got take east 10
whoa ohh a oh
we got a drive this rode
bord of this town
so bord of this town
obeluslily i i am
whoa ohh a oh
we just need to get are things
and were out of this town
whoa ohh a oh
sprking star in the sky
and coming back
did you see it?

i never could of known
did you see it?
i wish i would of seen it
i wonder to my self with this question
could
i am thinkin of me.....
