

# Master Blaster, Everywhere

Turn it inside out so I can see  
The part of you that's drifting over me  
And when I wake you're...you're never there  
But when I sleep you're...you're everywhere  
Everywhere

I recognize the way you make me feel  
It's hard to think that you might not be real  
I sense it now, the water's getting deep  
I try to wash the pain away from me  
Away from me

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone, I'm not alone

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone, I'm not alone

'Cause you're everywhere to me  
And when I catch my breath it's you I breathe  
You're everything I know that makes me believe  
I'm not alone

(Put your hands up people)

The beauty that's within  
It's now that we begin  
You always light my way  
I hope there never comes a day

(Master Blaster)

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone, I'm not alone

Everywhere to me

Just tell me how I got this far  
Just tell me why you're here and who you are  
'Cause every time I look you're never there  
And every time I sleep you're everywhere

You're everywhere

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone, I'm not alone

'Cause you're everywhere to me  
And when I catch my breath it's you I breathe  
You're everything I know that makes me believe  
I'm not alone

(Yeah, Master Blaster)

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone, I'm not alone
