

Master P, Gangsters Need Love

Yo Boo er

i know i never told u this before
but it might be time for me to get my hussle on
but i need you there for me
cause gangstas need love too

Since you've been away I've been down and lonely
ah, what

Since you've been away I've been thinkin' of you

Trying to understand the reason you left me

What were you going through

I'm missin you

Gangsters need love too

tell me why the road turns
