[Master P]

Nigga Nigga never let a nigga front you no dizos  
Start from the ground, work yo way up to a kilo  
Get some killers on yo team, keep one up in the chamber  
For the jackas and the dope fiends  
Fools come short get rowdy  
Kick down doors, show motherfuckers that ya bout it bout it  
Break ki's down to oz's  
Never buy any dope without weighin it on the triple beam  
Fuck soda use V-12  
Keep a stash for the tryin to take other niggas clientele  
Check the man made junk for residue  
Cause every fiend you miss want three or two  
1. Never talk on the phone in ya house  
2. Never slang dope out ya baby momma's house  
3. Never fuck with snitches  
Cause niggas that talk to the police is bitches  
4. Keep a low key  
And if you movin weight treat yo'self to an uzi  
The first hit for free (damn)  
But the next time you see me  
You betta have twenty G  
5. Never pay  
Pimp hoes for the pussy  
That's the 'Merican way  
Clean up ya dirty money to good money  
Cause legal money last longer than drug money

[Chorus]
