

# Masterboy, Generation Of Love

Boys and girls, the new generation  
Call it generation of love  
Boys and girls the new generation  
Call it generation of love  
"Chorus"  
Boys and girls, the new generation  
Call it generation of love  
Boys and girls the new generation  
Call it generation of love  
Give me all your lovin'  
Give me all your lovin'  
Give me all your lovin'  
Make it true  
Give me all your lovin'  
Give me all your lovin'  
Give me all your lovin'  
Me to you  
Boys and girls jump up and down  
Move your body 'round and 'round  
Pump the bass up in this place  
Put a smile back in your face  
Take control, don't waste time  
The heat is on, you're feeling fine  
Feel the power from above  
Call it generation of love  
Baby give me all your passion  
Baby give me all your love  
Baby give me all your passion  
Baby give me all your love  
Chorus  
Here I go, here I go  
Kiss me baby, let it flow  
You know how to make it right  
Light my fire, hold me tight  
People of the night keep grooving  
Got to get it right, your moving  
Feel the power from above  
Call it generation of love  
Everybody's feeling happy  
Everybody everywhere  
Everybody's feeling happy  
Everybody everywhere  
Chorus  
Boys and girls the new generation  
Call it generation of love...
