

Masterboy, Give Me Your Love

Give me, give me, give me your loving
Give me, give me, give me your love
Give me, give me, give me your loving
Give me, give me, give me your love
You got to show emotion, got to show emotion,
Got to show emotion, yeah yeah yeah
You got to show emotion, got to show emotion,
Got to show emotion, yeah yeah yeah

Slow it down, don't you fall
I can hear the angels call
Move it on, all night long
What we do just can't be wrong
Gonna give you all you need

Baby can you feel the heat
Love and sex is everywhere
Not to get it is not fair

Look at me, look at you
We could find a love so true
Yeah, yeah let's do it now
Baby let me show you how
Tell me what you feel inside
There's no need for you to hide
Show me what you really feel
Trust my love cause it's for real
