Masterboy, I Got To Give It Up

Refrain:
Feel the heat of the night
everything's allright
Feel the power of my heart
give me all your love
all you need is feel right now
all you need is feel right now
all you need is feel right now
all you need is feel my love
Rap 1
Jumpin', jumpin' up and down
from the top right to the ground
free your soul and free your mind.
Now set you free, right on time
it's weekend and it's party-time
feel the heat and free your mind
put your hands up in the air
and wave 'em like you just don't care
Feel the rhythm stay real tight
feel the heat feel the night
let the groove control your move
shake your bud and make me hot
party-people, party-dance
shake your body wave your hands
you know how to do it right
feel the heat of the night.
Rap 2
Pumpin', stompin', people jumpin'
people dancing everywhere
the DJ's playing music loud
so wave your hands up in the air
Move your body shake your bud
the rhythm of the music's so hot
I see you do your turnaround
on the dancefloor up and down.
Party, party, people party
party people, party dance
come on people move your body
shake your body wave your hands
Sweat is dropping down all over my face
I feel your sex right in this place
you got to get this rhythm right
and feel the heat of the night
