

# Masterboy, I Want To Break Free

I want to break free, I want to break free  
I want to break free from your lies  
You're so self-satisfied I don't need you  
I've got to break free, God knows  
God knows I want to break free

I've fallen in love,  
I've fallen in love for the first time  
(But) this time I know it's for real  
I've fallen in love, God knows God knows I've fallen in love  
It's strange but it's true (hey yeah)  
I can't get over the way you love me like you do  
But I have to be sure,  
When I walk out the door  
Oh, how I want to be free  
Oh, how I want to be free  
Oh, how I want to break free

But life still goes on  
I can't get used to livin' without, livin' without, livin without you  
By my side  
I don't want to live alone (hey)  
God knows, got to make it on my own  
so baby can't ya see  
I've got to break free  
I've got to break free  
I want to break free

I've got to break free from your lies  
Cause you are so self-satisfied  
But life still goes on and on  
I got to make it on my own  
I got to break free
