Masterboy, La Ola Hand In Hand

Give me your hand, give me your sign, Give me your hand, give me your time La ola hand in hand, la ola hand in hand Give me your hand, give me your sign, Give me your hand, give me your time La ola hand in hand, la ola hand in hand Oh oh oh la ola hand in hand La ola hand in hand Oh oh oh la ola hand in hand La ola hand in hand La ola hand in hand

Get the feeling, come and take me away Get the feeling, everything is OK Get the feeling, and do it right Come on baby feel good tonight Get the feeling, can't you understand Get the feeling, cos I am your friend

Get the feeling, reach out your hand La ola hand in hand

Everybody reach out your hands We could be forever friends Around the world together we stand Sing la ola hand in hand

If you look at the world from the sky
From out of space way up high
I think to myself as I fly
Life could be better if we'd try
So free your mind, stand by my side
Face to face son't try to hide
Around the world, together we stand
Sing la ola hand in hand
