## Mastodon, Blood And Thunder

I think that someone is trying to kill me Infecting my blood and destroying my mind No man of the flesh could ever stop me The fight for this fish is a fight to the death

White whale - holy grail

What remorseless emperor commands me I no longer govern my soul I am completely immersed in darkness As I turn my body away from the sun

White whale - holy grail

Split your lungs with blood and thunder When you see the white whale Break your backs and crack your oars men If you wish to prevail

This ivory leg is what propels me Harpoons thrust in the sky Aim directly for his crooked brow And look him straight in the eye

White whale - holy grail
