

# Mastodon, Hearts Alive

Taken down with hearts alive  
Our hearts alive

Lurking dark underground  
Descend to the bottom  
Swim below eternally  
Into the deep blue sea

Time and space  
All alone  
It can be a lonely place  
There it goes  
Opening up  
I can't stand  
I can't breathe  
Rolled fin out  
Oil stripped  
Hold is filled

Ocean coil  
Water boils  
He swims to the surface  
Flame from mouth  
Smoke he breathes  
Enter the caverns of the deep

Time and space  
All alone  
It can be a lonely place  
There it goes  
Opening up  
I can't stand  
I can't breathe  
Terrified  
Ghastly cry  
Spiraled lives  
Taken down  
Taken down

The iron side  
Bucket of lead  
Battle is she  
Not for defeat  
The iron side  
Bucket of lead  
Battle is she
