## Mastodon, Hearts Alive

Taken down with hearts alive Our hearts alive

Lurking dark underground Descend to the bottom Swim below eternally Into the deep blue sea

Time and space
All alone
It can be a lonely place
There it goes
Opening up
I can't stand
I can't breathe
Rolled fin out
Oil stripped
Hold is filled

Ocean coil
Water boils
He swims to the surface
Flame from mouth
Smoke he breathes
Enter the caverns of the deep

Time and space
All alone
It can be a lonely place
There it goes
Opening up
I can't stand
I can't breathe
Terrified
Ghastly cry
Spiraled lives
Taken down
Taken down
