

# Mat Kearney, Breathe In, Breathe Out

Breathe in, breathe out  
Tell me all of your doubts  
Everybody bleeds this way, just the same  
Breathe in, breathe out  
Move on and break down  
If everyone goes away, I will stay  
We push and pull  
And I fall down sometimes  
And I'm not letting go  
You hold the other line  
Cause there is a light in your eyes, in your eyes

Hold on, hold tight  
If I'm out of your sight  
And everything keeps moving on, moving on  
Hold on, hold tight  
Make it through another night  
In every day there comes a song with the dawn  
We push and pull

And I fall down sometimes  
And I'm not letting go  
You hold the other line  
Cause there is a light in your eyes, in your eyes  
There is a light in your eyes, in your eyes

Breathe in and breathe out  
Breathe in and breathe out  
Breathe in and breathe out  
Breathe in and breathe out

Look left, look right  
To the moon and the night  
Everything under the stars is in your arms

Cause there is a light in your eyes, in your eyes  
There is a light in your eyes, in your eyes  
There is a light in your eyes, in your eyes
