

Mat Kearney, Breathe In, Breathe Out

Breathe in, breathe out
Tell me all of your doubts
Everybody bleeds this way, just the same
Breathe in, breathe out
Move on and break down
If everyone goes away, I will stay
We push and pull
And I fall down sometimes
And I'm not letting go
You hold the other line
Cause there is a light in your eyes, in your eyes

Hold on, hold tight
If I'm out of your sight
And everything keeps moving on, moving on
Hold on, hold tight
Make it through another night
In every day there comes a song with the dawn
We push and pull

And I fall down sometimes
And I'm not letting go
You hold the other line
Cause there is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes

Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out

Look left, look right
To the moon and the night
Everything under the stars is in your arms

Cause there is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes
