

# Matchbook Romance, Lovers & Liars

Let's start out by starting over.

What did I expect?

You're no good at lying and I'm no good at comebacks.

You're so untouchable.

I'm oh-so-terrible at this.

I'm terrible at this, you know.

Don't hold this against me.

I've already said I'm sorry.

And I bet you've got every word I said memorized in your head.

And you'll use every one of them against me.

Don't hold this against me.

I've already said I'm sorry.

Tell all your friends about me.

Don't hold this against me.

I've already said I'm sorry.

I hope you choke on every word you spoke when you were screaming at me.

I realize how many times you tried, but that's wishful thinking.

All I want is an apology for what you did and how you treated me.

Get me far away, or at least as far as this car will take me.

Tell all your friends about me.

Don't hold this against me.

I've already said I'm sorry.

Don't hold this against me.

I've already said I'm sorry.
