

Matchbook Romance, Short & Sweet

im gonna make this short and sweet
im gonna let my heart speak
i've been so mad cuz he treats you bad
but thats not what i would do

cuz id kill for you
id do you things that i know he wouldnt do
i write these words and i want the truth
why cant i be with you
why cant i be the guy for you

he breaks your heart and he tells you lies
why do girls always fall for these guys
he never bothers to listen to you
but thats not what i would do

id kill for you
id do you things that i know he wouldnt do
i write these words and i want the truth
why cant i be with you
why cant i be the guy for you

why cant i be the guy for you..

id kill for you
id do you things that i know he wouldnt do
i write these words and i want the truth
why cant i be with you

id kill for you (id kill for you id kill for you)
id do you things that i know he wouldnt do
i write these words and i want the truth(i cry for you i cry for you)
why cant i be with you
why cant i be the guy for you
