

Matchbox 20, I'm Not Crazy

All day staring at the ceiling
Making friends with shadows on my wall
All night hearing voices telling me that
I should get some sleep
Because tomorrow might be good
For something
Hold on feeling like I'm heading for a
Break down and I dunno why
I'm not crazy
I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then You'll see
A different side of me
I'm not crazy
I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be
Talking to myself in public
And indulging glances on the train
And I know I know that they've all been talking about me
I can hear their whisper
And it makes me feel that there must be something wrong with me
After all the hours thinking somehow I've lost my mind
I'm not crazy
I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy
I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be
I've been talking in my sleep
Soon they'll come to get me
And they're taking me away
I'm not crazy
I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy
I'm just a little impaired I know
Right now you don't care
But soon enough you're gonna think of me
And how I used to be
And how I used to be
How I used to be
I'm just a little lonely
How I used to be
How I used to be
I'm just a little unwell
