Matchbox 20, I'm Not Crazy

All day staring at the ceiling

Making friends with shadows on my wall

All night hearing voices telling me that

I should get some sleep

Because tomorrow might be good

For something

Hold on feeling like I'm heading for a

Break down and I dunno why

I'm not crazy

I'm just a little unwell

I know right now you can't tell

But stay awhile and maybe then You'll see

A different side of me

I'm not crazy

I'm just a little impaired

I know right now you don't care

But soon enough you're gonna think of me

And how I used to be

Talking to myself in public

And dulging glances on the train

And I know I know that they ve all been talking about me

I can hear their whisper

And it makes me feel that there must be something wrong with me

After all the hours thinking somehow Ive lost my mind

I'm not crazy

I'm just a little unwell

I know right now you can't tell

But stay awhile and maybe then you'll see

A different side of me

I'm not crazy

I'm just a little impaired

I know right now you don't care

But soon enough you're gonna think of me

And how I used to be

I've been talking in my sleep

Soon they'll come to get me

And they're taking me away

I'm not crazy

I'm just a little unwell

I know right now you can't tell

But stay awhile and maybe then you'll see

A different side of me

I'm not crazy

I'm just a little impaired I know

Right now you don't care

But soon enough you're gonna think of me

And how I used to be

And how I used to be

How I used to be

I'm just a little lonely

How I used to be

How I used to be

I'm just a little unwell
