

Mates of State, Ride Again

Row

The Bull Grecian says, "What have you read?"
I come from there, it's executive-sized
It's useless he shares, these legs are all wrong
What Gray often says, it's executive-sized
To ride again
Ride again though

I don't know, 'cause I've been told, 'cause I am inside

The Bull Grecian says, "Don't waste your own time."
You're seeking his grace
It's executive-sized
To ride again
Ride again though

I don't know, 'cause I've been told, 'cause I am inside

What a sight, oh

I don't know, 'cause I've been told, 'cause I am inside
