

# Matisyahu, King Without A Crown

{Zee} You're all that I have and you're all that I need  
Each and every day I pray to get to know your peace  
Wanna be close to you, yes I'm so hungry  
You're like water for my soul when it gets thirsty  
Without you there's no me  
You're the air that I breathe  
{Say} Sometimes the world is dark and I just can't see  
With these, demons surround all around to bring me down to negativity  
But I believe, yes I believe, I said I believe  
I'll stand on my own two feet  
Won't be brought down on one knee  
I'll fight with all of my might and get these demons to flee  
Hashem's rays fire blaze burn bright and I believe (2x)  
Out of darkness comes light, twilight unto the heights  
Crown Heights {yah} burnin' up all through the twilight  
Said, thank you to my God, now I finally got it right  
And I'll fight with all of my heart, and all a' my soul, and all a' my might

[Chorus:]2x

What's this feeling?

My love will rip a hole in the ceiling

(I give/Givin') myself to you {now} from the essence of my being

And I sing to my God, songs of love and healing

I want Moshiach now, time it starts revealing

What's this feeling?

My love will rip a hole in the ceiling

(I give/Givin') myself to you {now} from the essence of my being

And I sing to my God, songs of love and healing

I want Moshiach now. {ya}

Stripin' away the layers and reveal your soul

Ya gotta to give yourself up and then you become whole

You're a slave to yourself and you don't even know

(You) Want to live the fast life but your brain moves slow

If you're trying to stay high, you're bound to stay low

You want God but you (can't/couldn't) deflate your ego

You're already there, then there's nowhere to go

You're cup's already full then it's bound to overflow

If you're drowning in the waters and you can't stay afloat

Ask Hasheem for mercy {and} he'll throw you a rope

(You're) lookin' for help from God; you say he couldn't be found

Searching up to the sky and looking beneath the ground

Like a King without his Crown

You keep fallin' down

You really want to live but can't get rid of your frown

You('re) try(in') to reach unto the heights and wound bound down on the ground

Given up your pride - then ya heard a sound

Out of night comes day {and} out of day comes light

{said} Nullified to the One like sunlight in a ray,

room for his love for a fire gone blaze, (2x)

[Chorus:]2x

What's this feeling?

My love will rip a hole in the ceiling

(I give/Givin') myself to you {now} from the essence of my being

and I sing to my God, songs of love and healing

I want Moshiach now so it's time we start revealing

What's this feeling?

My love will rip a (hole/skylight) in the ceiling

(I give/Givin') myself to you now from the essence of my being

And I sing to my God, songs of love and healing

(I want Moshiach now)

{And} See, I lift up (my/mine} eyes where my help come from  
And I seen it circling around from the mountain  
Thunder!  
You feel it in your chest  
You keep my mind at ease and my soul at rest  
You're not vexed

{When I} Look to the sky where my help come from  
{and I} Seen it circling around from the mountain  
Thunder!  
You feel it in your chest

You're not vexed

Said Thunder!  
[2x:]  
You feel it in your, I feel it in your,  
Thunder!  
You feel it in your, I feel it in your,  
Yo ho ho..ah!  
Woo!  
What's this feeling?  
My love will rip a hole in the ceiling  
Givin' myself to you from the essence of my being  
Sing to my God
