

Matt Brouwer, I Shall Believe

Come to me now
And lay Your hands over me
Will You find me tonight
Say it will be alright
And I will believe

Broken in two
I know You're on to me
That I only come home
When I'm so all alone
But I do believe

That not everything is gonna be
The way you think it ought to be
It seems like everytime I try and make it right
It all comes down on me
Please say honestly You won't give up on me
And I shall believe

Open the door
And show me Your face tonight
I know it's true
No one heals me like You
And You hold the key

Never again will I turn away from You
I'm so heavy tonight
But Your love is alright
And I do believe
