Matt Redman, Did You Feel The Mountains Trem

Could this be the land of the free Could this be the land of the free Let salvation's waves crash on these shores again And the tide of Your great love come rushing in Could this be the land of the free

Did you feel the mountains tremble Did you hear the oceans roar When the people rose to sing of Jesus Christ the risen one

Did you feel the people tremble Did you hear the singers roar When the lost began to sing of Jesus Christ, the saving one

And we can see that, God, You're moving A mighty river through the nations When young and old return to Jesus Fling wide, you heavenly gates Prepare the way of the risen Lord Prepare the way

Open up the doors and let the music play Let the streets resound with singing Songs that bring Your hope Songs that bring Your joy Dancers who dance upon injustice

Did you feel the darkness tremble When all the saints join in one song And all the streams flow as one river To wash away our brokenness

And here we see that, God, You're moving A time of jubilee is coming When young and old return to Jesus Fling wide, you heavenly gates Prepare the way of the risen Lord
