

Matt Wertz, All I Know

I don't know how the stars hang
Or how there's night and then there's day
I don't know how you spoke into the black
and made it all obey

(Chorus)

All that I know is the bleeding in my heart
and the healing in your touch
All that I know is that you gave everything
so let that be enough...it's all I know, it's all I know

I don't know how your love works
Or how you cover me in grace
I don't know how you swallow all I am
when I can't stand my taste, oh

(Chorus)

All that I know is the bleeding in my heart
and the healing in your touch
All that I know is that you gave everything
so let that be enough...it's all I know

And I can't explain your mystery,
but I know the answer

(Chorus)

All that I know is the bleeding in my heart
and the healing in your touch
All that I know is that you gave everything
so let that be enough...it's all I know, it's all I know
