

Matt Wertz, Falling Off The Face Of The Earth

Stay away from me
I'll be gone soon
It's just so hard to let go once we've grabbed hold
It's nothing that you've done
You're not the only one
I'm just learning to be in twenty-three places

Cause' I'm falling off the face of the earth
Crashing into bridges I burn
And I'm falling off the face of the earth
I'll be home soon

Is this how the story goes
When rubber meets the road
Waving goodbye is so hard without hello

Cause' I'm falling off the face of the earth
Crashing into bridges I burn
And I'm falling off the face of the earth
But I'll be home soon

I keep forgetting to
Keep you an arms length away

And I'm falling off the face of the earth
Crashing into bridges I burn
I'm falling off the face of the earth
But I'll be home soon
I'll be home soon
I'll be home soon
