

Matt Wertz, Naturally

I wanna dance with you in moonlight
I wanna kiss beneath the rain
Just wanna show you how I'm feeling
And wonder'n if you feel the same
I just can't wait until the day when all of this will come to be
All we gotta do is just believe

CHORUS:

It's better for you
It's better for me
If we just let things develop Naturally
If you are the one
We'll wait and see
For now we'll just let things develop Naturally, Naturally
There ain't no time for looking backwards
Ain't no room for keeping score
I wanna get to know you better
Find out what I am waiting for

BRIDGE:

If it's love that we're tryin to find
Patience will do us right
Naturally
