

# Matt White, Wasteland

All alone, where are you?  
Are we over?  
Something said, wish we had  
All those good times  
Hey hey  
Where should we go today?  
I brought you in here to stay  
Again  
Look what we've done today  
If I'm going then I'll see the past  
I keep on going but I'm feeling jaded  
Don't keep running, babe  
I'll be there in Wasteland  
You start the fight  
Don't you leave, it ain't over  
The sun so bright  
One more night  
Let's start over  
Hey hey  
Look where we are today  
I wanna make sure you'll stay  
With me  
Look what we've done today  
If I'm going then I'll see the past  
I keep on going but I'm feeling jaded  
If I'm running then I'll be there  
In Wasteland  
Yeah
