

Mattafix, Things Have Changed

I know what I'll say,
All over again.
If I had to love you,
I know what I'd do.
I know what I'll say,
All over again.
Things have changed,
How things have changed.

Gal me try fi love ya but me cyan get through.
Now you haffi tell me why fi do.
Gal me try up to now me just cyan get no bligh,
Haffi ask de question why.

Gal me try fi love ya but me cyan get through.
Now you haffi tell me why fi do.
Gal me try up to now me just cyan get no bligh,
Haffi ask de question why.

Only memories of before,
Sweet island you know I'm yours.
In my homeland,
Is where my lady was.
If I had a chance

And I had to love you.
Know what I'd do.
I know what I'll say,
All over again.
If I had to love you,
I know what I'd do.
I know what I'll say,
All over again.
Things have changed,
How things have changed.

If I had to love you.
If I had to love you.

If I had to love you,
Know what I'd do.
I know what I'll say,
All over again.
If I had to love you,
I know what I'd do.
I know what I'll say,
All over again.
Things have changed.
