

Matteo Bocelli, I'm Here

So, you are alone
Is this a good time
Coz I'm at your door

I know it sucks me showing up tonight
For you it feels out of the blue
But I've practiced saying this a thousand times
I'm still in love with you

Oh, I'm here because it hurts inside my chest that you're gone
I'm here coz you were right and now I know I was wrong
Oh, I'm here coz you're still walking through my dreams at night
Oh, I'm here coz I'm still wishing it was me in your life
I'm here

So, are you happy
And am I stupid
For even asking

I know it sucks me showing up tonight
But I've got nothing left to lose
And I've practiced saying this a thousand times
I'm still in love with you

Oh, I'm here because it hurts inside my chest that you're gone
I'm here coz you were right and now I know I was wrong
Oh, I'm here coz you're still walking through my dreams at night
Oh, I'm here coz I'm still wishing it was me in your life
I'm here

Oh-oh-oh-oh oh-oh

I've practiced saying this a thousand times
I'm still in love with you

Oh, I'm here because it hurts inside my chest that you're gone
I'm here coz you were right and now I know I was wrong
Oh, I'm here coz you're still walking through my dreams at night
Oh, I'm here coz I'm still wishing it was me in your life

I'm here coz all I taste inside my mouth is regret
I'm here coz every fibre of my body's a mess
Oh, I'm here because at twenty-one I could not see
That you're everything, everything to me
I'm here
I'm here...
