

Matthew Koma, So F**kin' Romantic

I'm so fuckin' romantic
That you can't even handle it
I'm California magic
And I can keep your candle lit
We could sail the oceans
And swim in the Atlantic
You could say I'm hopeless
But I'm so fuckin' romantic

I'm so fuckin' romantic
I'm so fuckin' romantic
I'm so fuckin' romantic

Flash, my camera going off
I'll be your paparazzi all night long
Splash, bubbles for days
Spoil you rotten, chocolate and flames

We could sail the oceans
Swim in the Atlantic
You could say I'm hopeless
But I'm so fuckin' romantic
I'm so fuckin' romantic
That you can't even handle it
I'm California magic
And I can keep your candle lit
We could sail the oceans
And swim in the Atlantic
You could say I'm hopeless
But I'm so fuckin' romantic

I'm so fuckin' romantic
I'm so fuckin' romantic

Cash raining on us
Designer clouds and beds white as dust
Class, I'll treat you like the queen
My Cleopatra, Madonna baby

We could sail the oceans
Swim in the Atlantic
You could say I'm hopeless
But I'm so fuckin' romantic
I'm so fuckin' romantic
I'm so fuckin' romantic
That you can't even handle it
I'm California magic
And I can keep your candle lit
We could sail the oceans
And swim in the Atlantic
You could say I'm hopeless
But I'm so fuckin' romantic

I'm so fuckin' romantic
I'm so fuckin' romantic
I'm so fuckin' romantic
