

Matthew Sweet, Devil With The Green Eyes

I can understand you're living in a prison
I know you can only see me as a vision
I might fade away
With the coming of a new dawn
And your heart is breaking
What are you gonna do now
That you're tired of faking it
What are you gonna do now
Well it's hard to take it
When you know what happens each time
The devil with the green eyes
Said you were never meant to be mine
Cause I came up from a dark world
And every love I've ever known is dead
If you come close enough to see I am inhuman
I will tell you why you're feeling so uncertain
Every word I say
Has a way of turning evil in you
And your heart is breaking
What are you gonna do now
That you're tired of faking it
What are you gonna do now
It's hard to take it
You know what happens each time
The devil with the green eyes
Said she was never meant to be mine
Cause I came up from a dark world
Every love I've ever known is dead

And your heart is breaking
What are you gonna do now
That you're tired of faking it
What are you gonna do now
It's hard to take now
You know what happens each time
Devil with the green eyes
Says you were never meant to be mine
Cause I came up from a dark world
And every love I've ever known
Every love I've ever known
Every love I've ever known
Is dead.
