

# Matthew Sweet, Evergreen

As soon as I found you baby you know  
They took you away  
You put your little hands together and  
You started to pray  
But all your prayers they brought no answer  
Your faith was a lie

And there's no difference  
Between the earth and the sky  
There's no reason  
We have to die

Whenever you talk that way you know  
You're breaking my heart  
How can we ever come together when  
We're playing these parts  
In every love there is a promise  
So baby don't you cry

'Cause there's no difference  
Between the earth and the sky  
There's no reason  
We have to die

In every love there is a promise  
So baby don't you cry  
There's no difference  
Between the earth and the sky  
There's no reason  
We have to die
