

# Matthew Sweet, Faith In You

I'm looking all around me  
And there's so much room to move  
But I don't believe in miracles  
Should I put my faith in you

I lay down in the evening  
And I look up at the stars  
But I don't believe in miracles  
Should I put my faith in ours

I wake up in the morning  
And I look up at the blue  
For something deep inside of me  
Should I put my faith in you  
Should I put my faith in you

What do I have to believe in  
Now that everything else was a lie  
Should I put my faith in you  
Should I put my faith in you

What do I have to believe in  
Now that everything else was a lie  
Should I put my faith in you  
Should I put my faith in you

I lay down in the evening  
And I look up at the stars  
But I don't believe in miracles  
Should I put my faith in ours

I wake up in the morning  
And I look up at the blue  
For something deep inside of me  
Should I put my faith in you  
Should I put my faith in you

Should I put my faith in you  
Should I put my faith in you  
Should I put my faith in you  
Should I put my faith in you  
Should I put my faith in you
