

Matthew Sweet, Isolation

People say we got it made
Don't they know we're so afraid
Isolation

We're afraid to be alone
Everybody got to have a home
Isolation

Just a boy and a little girl
Trying to change the whole wide world
Isolation

The world is just a little town
Everybody trying to put us down
Isolation

I don't expect you to understand
After you caused so much pain
But then again you're not to blame
You're just a human, a victim of the insane

We're afraid of everyone
Afraid of the sun
Isolation

The sun will never disappear
But the world may not have many years
Isolation
