

# Matthew Sweet, You Don't Love Me

What a beautiful moment  
The truth comes out at last  
Once your heart would own me forever  
Then this passed  
And what a beautiful moment  
As my heart comes apart  
Drunk and in a manner of saying, wasted

'Cause you don't love me  
You don't love me  
You can't see how I matter in this world  
Even though I loved you  
You can't believe that  
If you find something  
You think might make you happy  
Then I guess it's okay, I think it's okay  
If you go away

Blown right out of my senses  
I did not know what to do  
Lost and badly wanting someone  
To see me through  
That's why I needed you

But you don't love me, you don't love me  
You can't see how I matter in this world  
Even though I loved you  
You can't believe that  
You think that leaving  
Is what will make you happy  
Then I guess it's okay, I think it's okay  
If you go away

'Cause you don't love me  
You don't love me  
You can't see how I matter in this world  
Even though I loved you  
You can't believe that  
You think that leaving  
Is what will make you happy  
Then I guess it's okay, I think it's okay  
If you go away  
'Cause you don't love me  
You don't love me...
