

# Matthew West, Heart Of Every Man

To a world turning cold as stone  
To a world spinning out of control  
See the sigh of the times  
Feel the emptiness inside  
To try to hide the pain inside

## CHORUS

May the love of Jesus fill  
the heart of every man  
May the hope of heaven touch  
a life with healing hands  
And may all who seek him find  
grace enough to stand  
May the love of Jesus fill  
the heart of every man

To a soul that's too tired to fight  
To a heart that's too weary to try  
When all faith is taken away  
by the trials of the day  
When there's nothing left to say

## CHORUS

## BRIDGE

For God so loved the world that  
He gave his Son and  
Whoever believes will know His love

## CHORUS
