

# Matthew West, Just Like You

Just Like You

Lord Your wonders never cease to amaze me

Cause every time I get down upon my knees I know You hear me

And I've been less than faithful but you've been more than graceful

When anyone else would have walked away

It's just like you to save me

It's just like me to run and hide

It's just like love to take me as I am and make me just like you

Well I could think of a million reasons why I don't deserve your love

And I could try and try and try and try but I could never be good enough Because I am just a sinner

You see the heart in me but you love me anyway

It's just like you to save me

It's just like me to run and hide

It's just like love to take me as I am and make me just like you

Just as I am without one plea but that thy blood was shed for me

You see everything I do and still you choose to love me.
