

# Matthew West, Out Of My Hands

There you go changing my plans again  
There you go shifting my sands again  
For reasons I don't understand again  
Lately I don't have a clue  
Just when I start liking what I see  
There you go changing my scenery  
I never know where you're taking me  
But I'm trying just to follow you

Chorus:

It's out of my hands  
It's out of my reach  
It's over my head  
And it's out of my league  
There's too many things  
That I don't understand  
So it's into your will  
And it's out of my hands

There you go healing these scars again  
Showing me right where you are again  
I'm helpless, and that's where I start again  
I'm giving it all up to you

Repeat Chorus

Bridge:

Move me, make me  
Choose me, change me  
Send me, shake me  
Find me, remind me  
The past is behind me  
Take it all away  
Take it all from me, I pray

Repeat Chorus
