Matthew West, Save A Place For Me

Don't be mad if I cry
It just hurts so bad sometimes
'Cause everyday it's sinking in
And I have to say goodbye all over again

You know I bet it feels good To have the weight of this world Off Your shoulders now I'm dreaming of the day When I'm finally there with You

Save a place for me, save a place for me I'll be there soon Save a place for me, save some grace for me I'll be there soon

I have asked the questions why But I guess the answer's for another time So instead I'll pray with every tear (Matthew West Lyrics are found on www.songlyrics.com) And be thankful for the time I had You here

So You just save a place for me, save a place for me I'll be there soon. I'll be there soon Save a place for me, save some grace for me I'll be there soon, I'll be there

I wanna live my life just like You did And make the most of my time just like You did And I wanna make my home up in the sky Just like You did, oh, but until I get there Until I get there

Just save a place for me, save a place for me 'Cause I will be there soon

Save a place for me, save a place for me I'll be there soon, I'll be there soon

Don't be mad if I cry It just hurts so bad
