

Matthew West, The Day Before You (Acoustic)

I had all but given up on finding the one that I could fall into
On the day before you I was ready to settle for less than love and not much more
There was no such thing as a dream come true
But that was on the day before you

CHORUS

Now you're here and everything's changing
Suddenly life means so much
I can't wait to wake up tomorrow and find out this promise is true
I will never have to go back to the day before you

In your eyes I see forever and it makes me wish that my life never knew the day before you
Oh, but heaven knows those years without you were shaping my heart for the day that I found you
And if you're the reason for all I've been through then I'm thankful for the day before you

It was the last day that I ever lived alone
And I'm never going back
No, I'm never going back
