

# Matthew West, You Are Everything (Acoustic)

I am the one with two left feet  
Standing on a lonely street  
I can't even walk a straight line  
And every time you look at me  
I'm spinning like an autumn leaf  
Bound to hit bottom sometime

Where would I be without someone to save me  
Someone who won't let me fall

You are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me  
With arms wide open  
All I know is  
Every day is filled with hope  
'Cause You are everything that I believe for  
And I can't help but breathe you in  
Breathe again  
Feeling all this life within  
Every single beat of my heart

I am the one with big mistakes  
Big regrets and bigger breaks  
Than I ever care to confess  
Oh but, You're the one who looks at me  
And sees what I was meant to be  
More than just a beautiful mess

Oh, where would I be without someone to save me  
Someone who won't let me fall

You are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me  
With arms wide open  
All I know is  
Every day is filled with hope  
'Cause You are everything that I believe for  
And I can't help but breathe you in  
Breathe again

Feeling all this life within  
Every single beat of my heart  
You're everything good in my life  
Everything honest and true  
And all of those stars hanging up in the sky  
Could never shine brighter than

You

are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me  
With arms wide open  
All I know is  
Every day is filled with hope  
You are everything that I believe for  
And I can't help but breathe you in  
Breathe again  
Feeling all this life within  
Every single beat of my heart  
You are  
Oh, You are

Jesus, You are  
You are everything
