## Maureen McGovern, It Might Be You

Time...
I've been passing time watching trains go by All of my life,
Lying on the sand watching sea birds fly
Wishing there would be
Someone waiting home for me
Something's telling me it might be you
It's telling me it might be you
All of my life

Looking back as lovers go walking past
All of my life
Wond'ring how they met and what makes it last
If I found the place
Would I recognize the face?
Something's telling me it might be you
It's telling me it might be you

So many quiet walks to take So many dreams to wake And we've so much love to make! I think we're gonna need some time Maybe all we need is time And it's telling me it might be you All of my life

I've been saving love songs and lullabies And there's so much more No one's ever heard before Something's telling me it might be you Something's telling me it must be you And I'm feeling it'll just be you All of my life

Maybe it's you, maybe it's you I've been waiting for all of my life
