

Maureen McGovern, Out Of This World

You're clear out of this world
When I'm looking at you
I hear out of this world
The music that no mortal ever knew

You're right out of a book
The fairy tale I read when I was so high
No armored knight out of a book
Could find a more enchanted Lorelei
Than I

After waiting so long for the right time,
After reaching so long for a star,
All at once from a long and lonely night time
And despite time, here you are

I'd cry, "Out of this world"
If you said we were through
So, let me fly out of this world
And spend the next eternity or two
With you

INSTRUMENTAL INTERLUDE

I'd cry, "Out of this world"
If you said we were through
So, let me fly out of this world
And spend the next eternity or two
With you

With you
With you
With you
