

# Maureen McGovern, The Morning After

There's got to be a morning after  
If we can hold on through the night  
We have a chance to find the sunshine  
Let's keep on looking for the light

Oh, can't you see the morning after?  
It's waiting right outside the storm  
Why don't we cross the bridge together  
And find a place that's safe and warm?

It's not too late, we should be giving  
Only with love can we climb  
It's not too late, not while we're living  
Let's put our hands out in time

There's got to be a morning after  
We're moving closer to the shore  
I know we'll be there by tomorrow  
And we'll escape the darkness  
We won't be searching anymore

There's got to be a morning after  
(There's got to be a morning after)  
There's got to be a morning after  
(There's got to be a morning after)  
There's got to be a morning after  
(There's got to be a morning after)  
There's got to be a morning after  
(There's got to be a morning after)  
(repeat and fade out)
