

Maureen McGovern, Things We Said Today/For Me

You say you will love me
If I have to go
You'll be thinkin' of me
Somehow, I will know
Someday when I'm lonely
Wishin' you weren't so far away,
Then I will remember
Things we said today

You say you'll be mine, love,
'Til the end of time
These days, such a kind love
Seems so hard to find
Someday when we're dreamin',
Deep in love, not a lot to say,
Then we will remember
Things we said today

Me, I'm just the lucky kind
Love to hear you say that love is luck
And though we may be blind,
Love is here to stay and that's enough

To make you mine, love
Be the only one
Love me all the time, love
We'll go on and on
Someday when we're dreamin',
Deep in love, not a lot to say,
Then we will remember
Things we said today

Then we will remember
Things we said today

Your day breaks
Your mind aches
You find that all his words of kindness linger on
When he no longer needs you

He wakes up
He makes up
He takes his time and doesn't feel he has to hurry
He no longer needs you

And in his eyes, you'll see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted years

You want him
You need him
And yet you don't believe him when he says his love is dead
You think he needs you

And in his eyes, you'll see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted years

You stay home
He goes out
He says that long ago, he knew someone but now she's gone
He doesn't need her

And in his eyes, you'll see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted years

A love that should have lasted years
A love that should have lasted years
