

# Max, Can't Wait Until Tonight

don't wanna talk about the way I am  
I only try to make you understand  
that my affection is so really true  
and my heart has started thumpin'  
since I met you

I just can't wait until tonight, baby  
'til I have you by my side, baby  
I just can't wait until tonight, baby  
for being with you

do do do do do

first time I saw you it just knocked me down  
the way you smiled has turned my life around  
I never thought that it would catch me so  
I'll get my head together cause  
I want you to know

I just can't wait until tonight, baby  
'til I have you by my side, baby  
I just can't wait until tonight, baby  
for being with you

do do do do do

true love won't be afraid of no one  
true love will lead us through the day  
I'll get my head together  
and I want you to say
