

Max Jury, Home

Home
My home
All the maker's mark
It's made its mark on me
And the cold, grey fog
On the inner state
Always cover me

Oh I'm a long long way
I'm a long long way

Oh I'll be back some day
I'm a long long way
From home

Lonesome road
And the same old clothes
Radio for company

Home
My home
And these dreams of you
Are all that comfort me

The thought of growing up
The thought of losing touch
The thought of losing you
Is all too much

Oh I'm a long long way
I'm a long long way

Oh I'll be back some day
I'm a long long way
From home
