

Max Mutzke, Can't Wait Until Tonight

Don't wanna talk about the way I am
I only try to make you understand
that my affection is so really true
my heart has started thumping since I met you

Just can't wait until tonight baby till I have you by my side baby
just can't wait until tonight baby for being with you
doo doo doo doo doo just can't wait yea
doo doo doo doo doo just can't wait yea
doo doo doo doo doo to being with you

First time I saw you it just knocked me down
the way you smiled has turned my life around
I never thought that it could catch me so
I get my head together and I want you to know

Just can't wait until tonight baby till I have you by my side baby
just can't wait until tonight my lady to being with you

True love won't be afraid of no one
true love can lead us through the day
oh I get my head together and I want you to stay

Just can't wait until tonight baby till I have you by my side baby
just can't wait until tonight my baby oh for being with you
doo doo doo doo doo just can't wait yea
doo doo doo doo doo just can't wait yea
doo doo doo doo doo just can't wait yea to being with you
